

Session Program

28 November 2022 to 2 December 2022

2022 SYMPOSIUM

 **ASTRONOMERS FOR PLANET EARTH**

Fully virtual

28 November - 2 December 2022

Astronomers for Planet Earth Symposium

Plenary

Monday 28 November

14:00

Plenary: Opening

Session | Location: Zoom, Zoom link is in the menu to the left (only visible for participants)

14:00–14:20

Welcome!

14:20–14:35

Achievements with A4E

14:35–14:40

Introduction of the Symposium Team

14:40–15:05

Ice breaker (break-out sessions)

15:05–15:15

How A4E works

15:15–15:45

Gathertown trial

16:00

Tuesday 29 November

14:00

Plenary: Panel discussion with representatives from large astronomy consortia

Session | Location: Zoom, Zoom link is in the menu to the left (only visible for participants)

14:05–14:10 European Southern Observatory (ESO)

Speaker

Elena Llopis

14:10–14:15 Event Horizon Telescope Collaboration (EHTC)

Speaker

Violette Impellizzeri

14:15–14:20 European Space Agency (ESA)

Speaker

Elisabetta Lamboglia

14:20–14:25 Committee on Space Research (COSPAR)

Speaker

Patrick Seitzer

14:25–14:30 National Optical-Infrared Astronomy Research Laboratory (NOIRLab)

Speaker

Bryan Miller

14:30–14:35 Low-Frequency Array (LOFAR)

Speaker

Gert Kruithof

14:35–14:40 Commonwealth Scientific and Industrial Research Organisation (CSIRO)

Speaker

John Reynolds

14:40–14:45 W. M. Keck Observatory

Speaker

Kevin McCann

14:45–16:00 Panel discussion and Q&A

Speakers

Beatriz Mingo, Sarah Wagner

16:15

Friday 2 December

14:00

Plenary: Closing

Session | Location: Zoom, Zoom link is in the menu to the left (only visible for participants)

14:00–14:15 Farewell speech

14:15–14:30 Summary of Symposium

14:30–14:45 Conclusions & Outlook for the next year

16:00
