

# Informative session:

## Marie Sklodowska Curie Actions and Research career path in Spain

27 June 2023

### PROGRAM OVERVIEW

10:00 Marie Sklodowska-Curie Actions. J. Querol (OPIR)

11:00 Experience getting a Marie Curie. T. Antoja (ICCUB)

11:30 Research career in Spain. E. Pallares (ICCUB)

Informative session on the European Marie Sklodowska Curie scholarships Actions, other types of post-doctoral and doctoral scholarships, and the search for professional opportunities together with the Office of International Research Projects of the UB.

Teresa Antoja, a former MSCA researcher will come to tell us about her experience in preparing the proposal.

A space of time will be set up for all those who already have an idea thought out and worked on a little to be able to share the proposal with the OPIR staff.
