Previous editions of the Gamma-ray Symp. held in Heidelberg (2016)

Gamma2020 edition postponed by Covid

We are glad to resume a new edition, Gamma2022:

- Barcelona
- Hosted by ICCUB

On behalf of the LOC it is my great pleasure to welcome all of you to Barcelona, for the **7th Heidelberg International Symposium on High-Energy Gamma-Ray Astronomy (γ -2022)**

Registration desk: open every day from 8:30h until the end of the coffee-break, and during the lunch break. Today will be open the full day.

Talks should be uploaded to the Indico web-page of the Symposium.

- In pdf format, at most the day before your presentation (you can update it later)
- If needed, you can upload a version in other formats or a link to a given repository of your convenience.
- The computers in the conference rooms will use the files available in Indico for the presentations.
- Name your contribution as “ID224-VeraRubin_Galaxy_rotation_rates.pdf”.

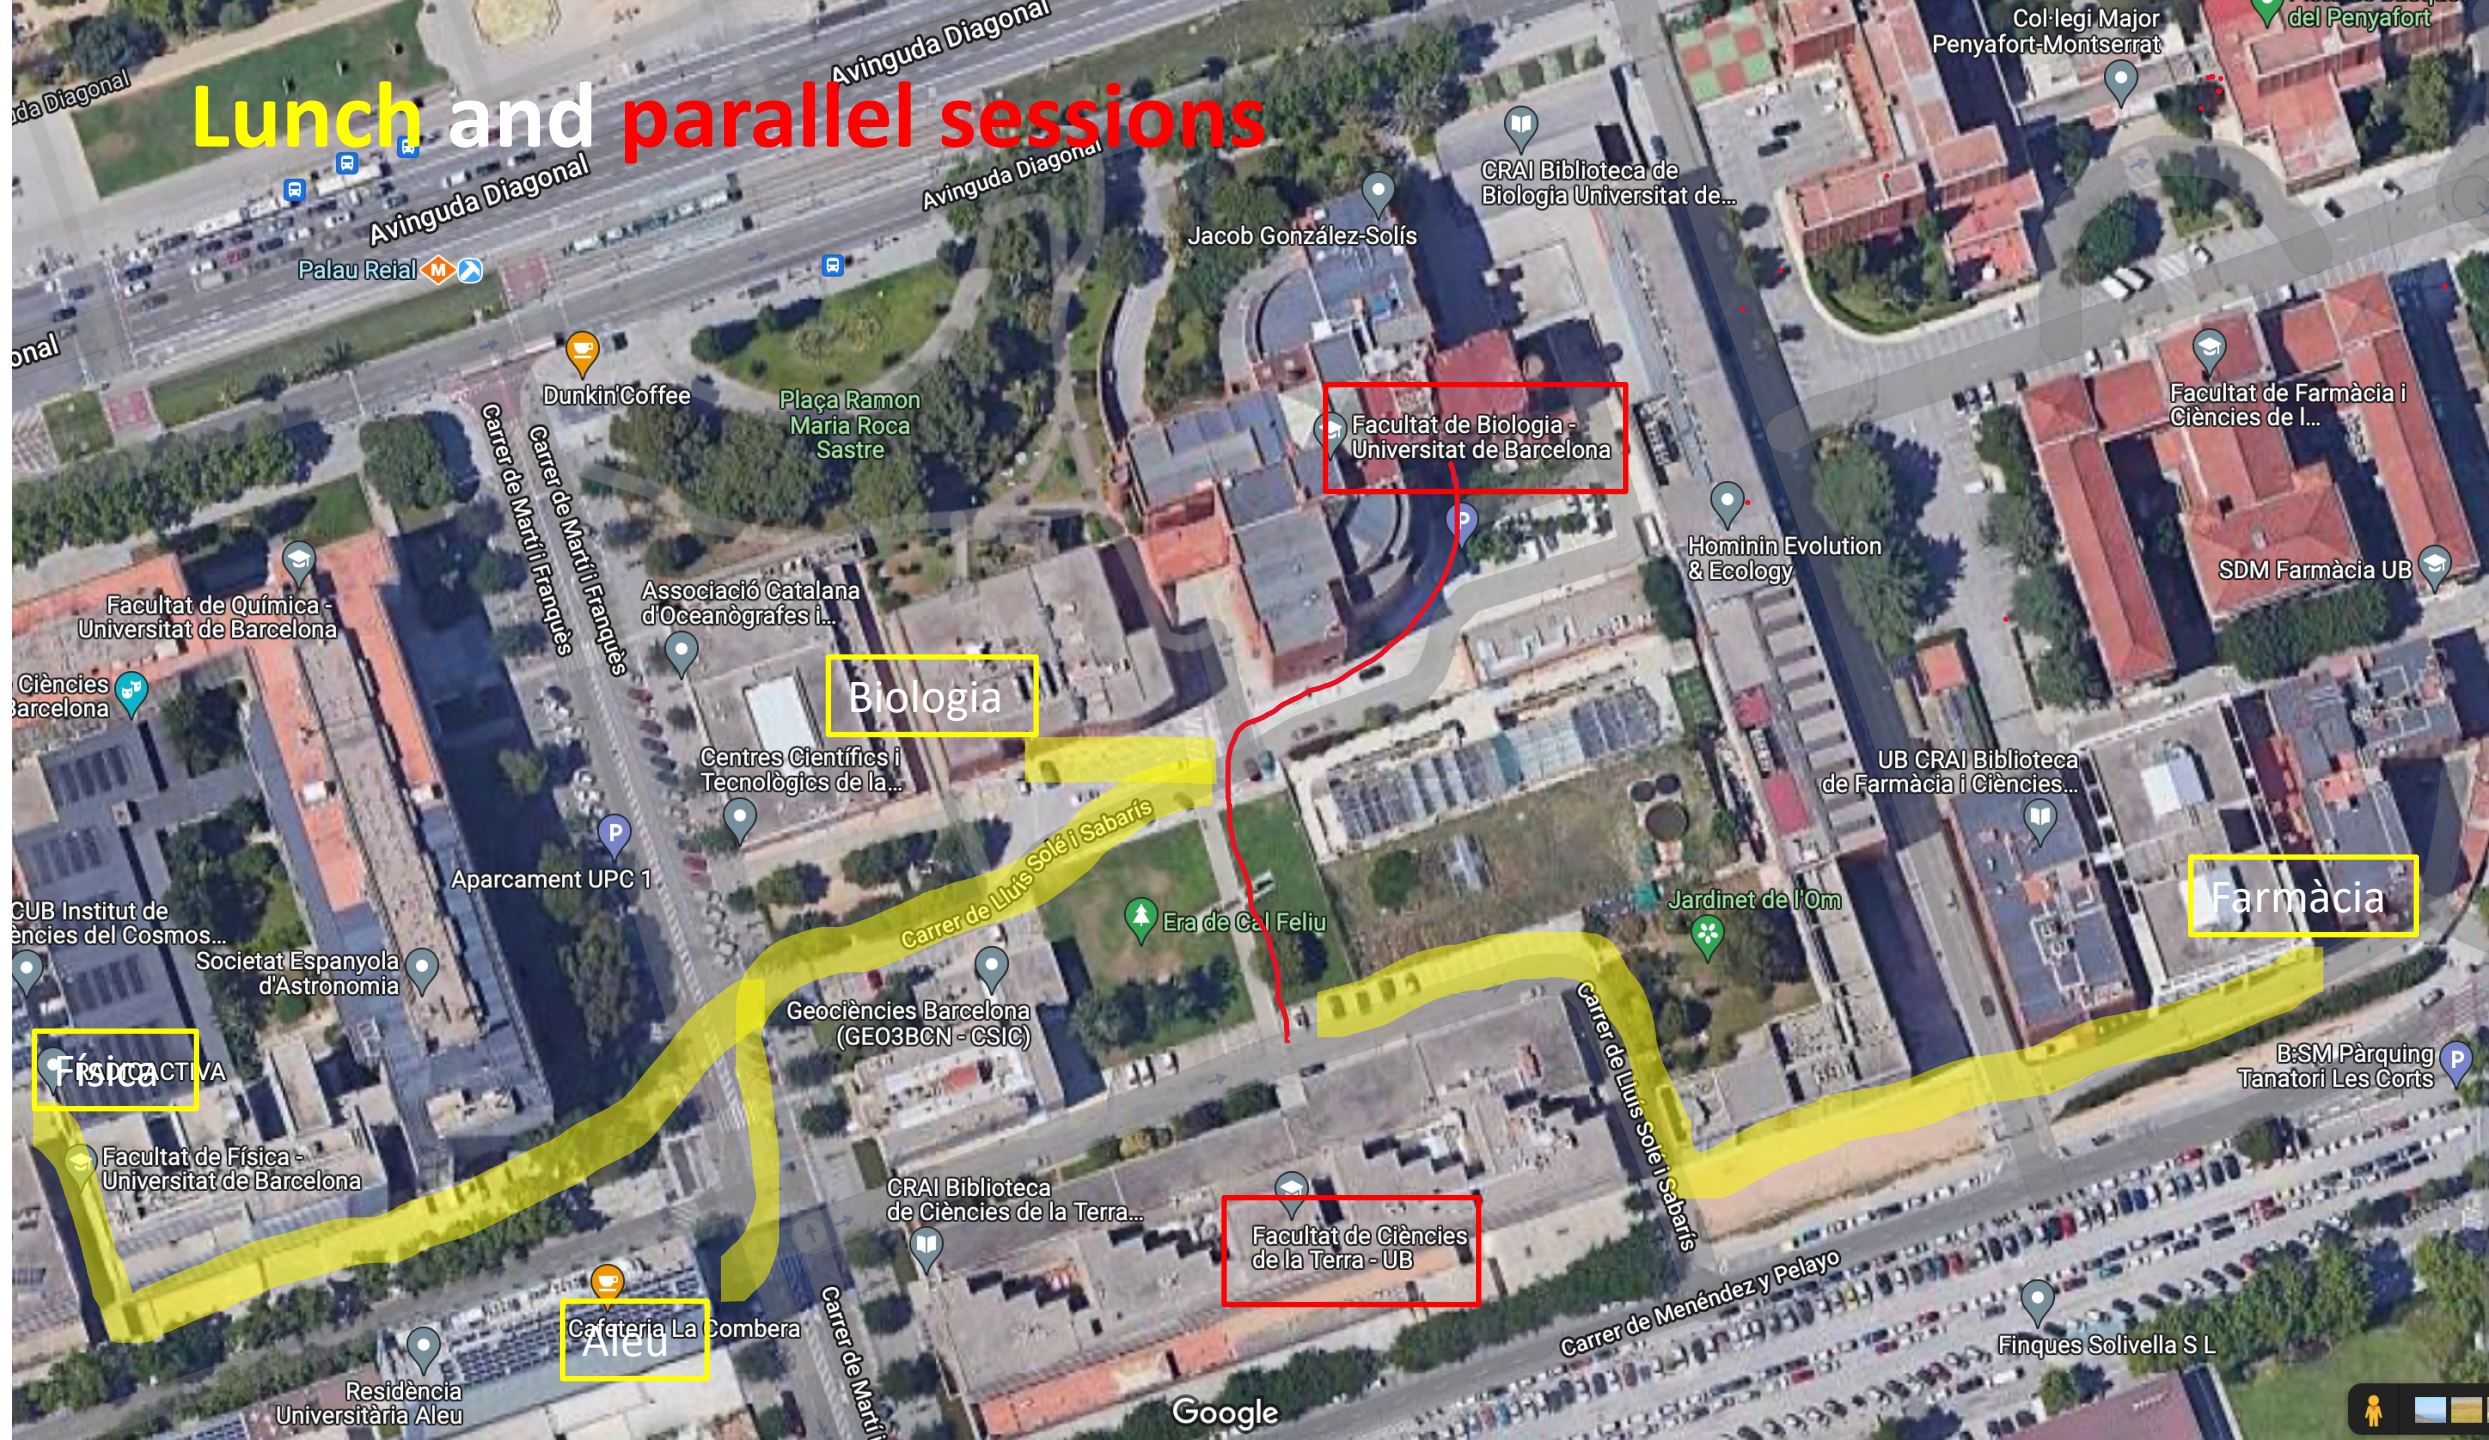

Posters: all of them are available on the Gamma2022 web. In addition, there are 6 screens just in the middle of the hall where anyone can show his/her poster to an interested group.

Coffee-break will be at the main entrance of the Faculty of Biology but outside the building.

Lunch: Cantines (recommended): Faculties of Biology (including vegan menu), Pharmacy, and Physics or Aleu Residence. Several restaurants within 5-15 minutes walking distance. A list is included in the conference folder.

The **parallel sessions** will take place in this room and in Aula Magna of Ciències de la Terra Faculty

Lunch and parallel sessions

7th Heidelberg International Symposium on
High Energy Gamma-Ray Astronomy
Barcelona, July 4-8 2022

WI-FI: Limited number of connections (120).

Welcome reception: Today, after finishing the afternoon session, we will have the Welcome reception where food and drinks will be offered.

Sports event: Tuesday after finishing the afternoon session (19:15h) at Esports UB.

Conference dinner: Wednesday evening (20h) at Restaurant Pelai.

COVID-19 protocol: The protocol in Spain states that masks are only compulsory when traveling by public transportation or in Hospitals and Pharmacies. Therefore, **the use of a mask** during the Symp. will not be mandatory although is **highly recommended**. Masks will be available at the registration desk.

Warning: Watch out for your laptops and belongings. This is an open building and anyone can enter. We will only close the room during lunchtime. Take care of your belongings during the coffee break.

Questions: In case you need something address to any LOC member (yellow badge) or to the registration desk.

Hope you will have a nice stay in Barcelona and enjoy the Gamma2022 meeting
