Gaia lessons learned (online)

Wednesday 28 January 2026 15:30 (15 minutes)

Although the Gaia mission is still very much alive and still has its most important data releases coming up in the future, the spacecraft operations have ended, and several successful data releases have already been made. Some important lessons learned can therefore already be drawn. This presentation will highlight a few of these.

Presenter: DE BRUIJNE, Jos

Session Classification: Mission overview. Chair: Mercè Romero Gómez
