

Session Program

9 April 2026

ICCUB GW Meeting 1

GW Science @ ICCUB: VHE, stellar astronomy, TU & nuclear physics

Institute of Cosmos Sciences (ICC) University of Barcelona, Seminari Josep Maria Codina Planta 5
UB Physics Faculty Martí i Franquès, 1, 11 08028 Barcelona

Thursday 9 April

11:30

GW Science @ ICCUB: VHE, stellar astronomy, TU & nuclear physics

Session |

Location: Institute of Cosmos Sciences (ICC) University of Barcelona, Seminari Josep Maria Codina Planta 5, UB Physics Faculty Martí i Franquès, 1, 11 08028 Barcelona

11:30–12:00 **MAGIC and LST/CTAO follow-up studies of GW sources**

Speakers

Arnau Aguasca-Cabot, Dr Marc Ribó, Dr Pol Bordas

12:00–12:30 **Stellar dynamics and GW science**

Speaker

Prof. Mark Gieles

12:30–13:00 **Technological Unit contributions to GW science**

Speakers

Daniel Guberman, Dr David Gascon Fora, Dr Jordi Portell de Mora

13:00–13:30 **Nuclear and hadron physics and GW science**

Speaker

Arnau Rios Huguet

13:30
