

Session Program

9 April 2026

ICCUB GW Meeting 1

GW Science @ ICCUB: optical astronomy, cosmology & gravity

Institute of Cosmos Sciences (ICC) University of Barcelona, Seminari Josep Maria Codina Planta 5
UB Physics Faculty Martí i Franquès, 1, 11 08028 Barcelona

Thursday 9 April

15:00

GW Science @ ICCUB: optical astronomy, cosmology & gravity

Session |

Location: Institute of Cosmos Sciences (ICC) University of Barcelona, Seminari Josep Maria Codina Planta 5, UB Physics Faculty Martí i Franquès, 1, 11 08028 Barcelona

15:00–15:30 **Optical follow-up of GW progenitors and events**

Speaker

Nadia Blagorodnova

15:30–16:00 **Axions & GWs**

Speaker

Jordi Miralda

16:00–16:30 **Gravitation, Strings and Cosmology Group: theory**

Speaker

Jorge Casalderrey Solana

16:30–17:00 **Gravitation, Strings and Cosmology Group contributions to GW science**

Speaker

David Mateos

17:00
